Why Gunitite?

Gunitite pools are not only beautiful to look at, but also the most structurally sound pools on the market. Gunitite pools are fully customizable so you can truly build your own backyard oasis.

With so many choices sometimes the idea of designing your pool can be overwhelming so we've created two packages to meet your budget and needs: Silver Package and Gold Package. This brochure highlights the features of our top of the line Gold Package pools.

Fiberglass

Shell thickness: 3/8"

Refinish every 15+ years

Some models come with steps and benches, but you cannot customize placement. Also cannot customize depth.

Most fiberglass pools are not rated for diving.

Freighted in by large trucks and dropped in place using a crane.

"Long and skinny" sizing to accommodate being freighted. Most pools do not exceed 16' wide,

Gunitite

Shell thickness: 8"

Refinish every 15+ years

Completely customizable steps, benches, shapes, and depth.

Can make pool a diving depth if you choose.

Assembled start to finish in your yard.

Freedom to choose pool sizing means that you can ensure your new pool will fit your yard perfectly.

Vinyl

Liner thickness: 0.0028"

New liner every 5 years

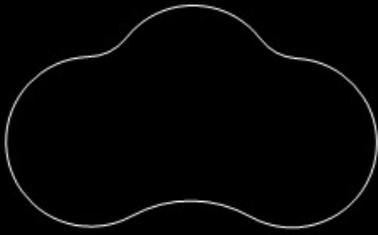

Can add benches and custom steps as well as choose depth.

Can make pool a diving depth if you choose.

Premade parts assembled in your yard.

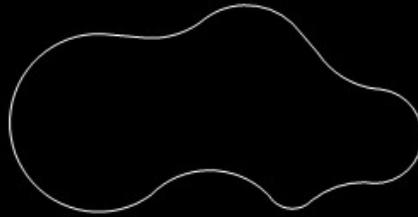

Custom sizes are available, but increase lead time on obtaining parts.

*maximum 6' depth. Diving not available

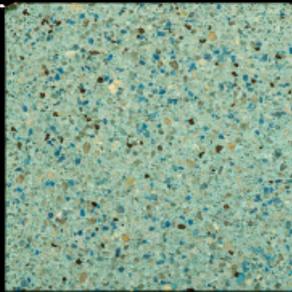

- Includes option to add a tanning ledge within the shape of the pool and your choice of 4' bench or ladder in the deep end.

Additional Options

- Option to design your own custom shaped pool with payment of a drawing fee.
- Option to add additional steps and benches for additional fees.

Gem Aggregate Finishes

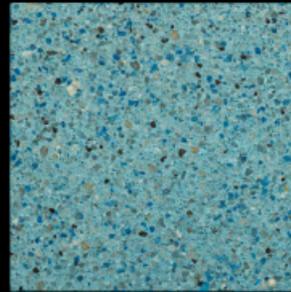

Florida Stucco Gem Finishes will yield a hard, long lasting surface highly resistant to stains and spot etching prevalent with traditional pool plasters. Exposure of the aggregate produces a safe, slip resistant and non-abrasive surface that attains a compressive strength in excess of 3500 psi in 24 hours and exceeds 7000 psi in 28 days.

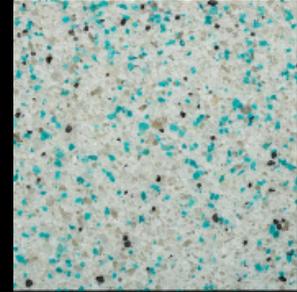

EMERALD SEA

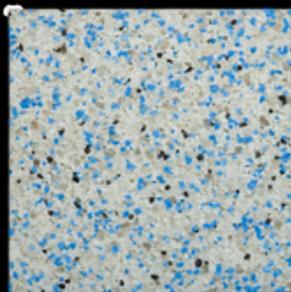

FRENCH SILVER

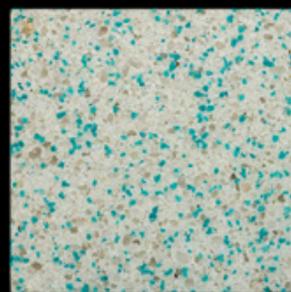

HAWAIIAN

AQUA GEM

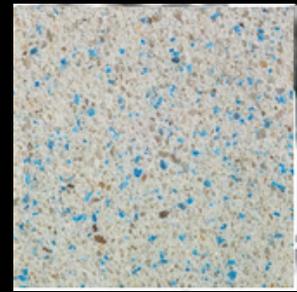

BLUE GEM

AQUA CLEAR

BONE GEM

SKY BLUE

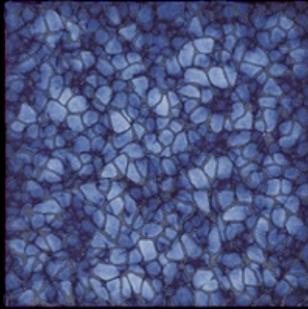

ALSO INCLUDES LAGOON AND WHITE GEM.

ADDITIONAL COLORS ARE AVAILABLE FOR EXTRA CHARGE. VIEW COMPLETE COLOR SELECTION [HERE](#).

Paradise pool featuring french silver plaster and silver travertine coping.

Your choice of tile.

ODYSSEY
CT OD 636

OXFORD - BLUE SEA
CT OX 17

BIMI- GLOSS
CT BIM 54

... and many more!

With over 100 tiles to choose from, you're sure to find one to match your needs perfectly. Our premium package includes your choice of waterline tile. This tile is used on the top 6" of the pool and placed on steps and benches to act as a marker for clear visibility.

[VIEW OUR COMPLETE TILE CATALOG](#)

Please note that glass tile series, deco tiles, and tile series explicitly marked **upgrade** are available at an additional fee and must be priced on a case by case basis.

Includes 4' of decking

Hawaiian Blue plaster pool with Noche Travertine Coping and Sandstone colored spray decking.

Package includes 1' of travertine coping and 3' of plain concrete decking for a total of 4' of deck surrounding the pool.

Upgradable options for additional fee:

- Extra concrete
- Brick or Travertine paver overlay
- [Spray Decking](#)

Pool Equipment

All of our pools feature American-made Pentair equipment. With the purchase of a new pool all Pentair equipment carries a 3-year parts and labor manufacturer warranty.

PENTAIR INTELLIFLO 3 VSF

[VIEW BROCHURE](#)

IntelliFlo VSF pump is the first variable speed and flow pump that adjusts to changes in flow conditions to maintain its preprogrammed flow rate to run optimally throughout the entire filtration cycle. It's like having cruise control for your pump.

They reduce energy costs by up to 90%!

PENTAIR CLEAN AND CLEAR 420

Clean & Clear Plus Cartridge Pool Filters have a corrosion-resistant, injection-molded, fiberglass-reinforced, polypropylene filter tank featuring superior strength and reliability.

There is no need for backwashing. Simply remove the cartridges and rinse with a garden hose, reducing water consumption.

[VIEW BROCHURE](#)

PENTAIR INTELLICHLOR SALT GENERATOR

[VIEW BROCHURE](#)

IntelliChlor uses common table salt to produce all the chlorine a pool needs, safely, effectively and automatically. It provides the same sanitation performance as harsh chlorine additives without the drawbacks.

Push-button operation and easy-to-view displays enable fast checking of salt levels, cell cleanliness, sanitizer output and water flow

Pool Equipment continued

PENTAIR COLOR GLOBRITE LIGHT

[VIEW BROCHURE](#)

GloBrite lights utilize the industry's most advanced technology to showcase and enhance your pool's shallow water features, making your poolside evenings go from great to spectacular.

Not only are GloBrite lights quick and easy to install, they are also the brightest and most efficient LEDs available.

5 brilliant fixed colors; 7 dazzling preprogrammed light shows

PENTAIR EASY TOUCH AUTOMATION

The EasyTouch Control System eliminates the inconvenience of trips to your pool equipment pad, memorizing operating sequences, opening and closing valves and resetting time clocks and thermostats.

With push-button operation and clear, intuitive instructions and displays, your EasyTouch system includes all circuitry and fully programmable controls in a single Load Center installed near your pool or spa equipment.

- Automatically runs pump to your set schedule.
- Ability to schedule lights to automatically turn on.
